

Gsus2 G/B

My Saviour, Redeemer

C2 D/F# Gsus2
I stand in awe as You draw near
G/B

I worship You
C2 D/F#

I worship You
Gsus2 G/B

In wonder, surrender
C2 D/F# Gsus2
I gaze upon Your sacrifice
G/B

Your life laid down
C2 D/F#
Your blood poured out

G G/B
It's Your blood, it's Your blood
C2 D/F#
It's Your blood that cleanses me from sin

G G/B
It's Your blood, it's Your blood
C2 D/F# C2 G
It's Your blood that gives me life again

My healer, life-giver
Within Your death I live again
Be glorified
Be glorified
You rose up in glory
Defeated all the power of hell
So I will claim Your victory
