

Lord let Your presence come

Lord let Your presence come
Let glory fill Your house
Christ the eternal King
Come minister in power
We open up our hearts
For You are with us now

*Come Holy Spirit
Come Holy Spirit
Be the fire that burns within
To make us holy
Set our hearts ablaze for Jesus
As we wait on You*

Christ is the cornerstone
Precious Lamb of God
He made us living stones
A house where glory dwells
We offer up our lives
A living sacrifice

Hope does not disappoint
For love has been poured out
Through the eternal King
His Spirit given now
We lift our hands in faith
Come fill us with Your power
