

Lord, there's none like You

No one can take Your place

The Name above all names

Lord, who can compare

To Your majesty

Let all creation see

King of heaven, Lord of nations

We will bow in adoration

Glory, glory to the coming King

Join with angels singing 'holy'

Through the earth we'll give You glory

Worthy, worthy is the Lamb of God

Lord, I'll follow You

My life is in Your hands

Come, shape me for Your plans (x2)

To save the lost and feed the hungry

Clothe the naked, hold the lonely

This will be the message that we live (x2)

Hallelujah (x3)
